Sunday 14th July 2019

West Felton Carnival has been running for over 20 years. It is a fantastic celebration of our community spirit and the Carnival Committee work tirelessly to ensure we all have a thoroughly enjoyable day.

Some children have been chosen at the King & Queen's attendant's—please confirm with Mrs. Hughes or your child's class teacher.

The school also enters a float every year...we've had the World Cup, Under the Sea, a Day at the Races, Alice in Wonderland and many others. This year we are going for 'A Bedtime Story.'

If your child would like to join us on the float, find more details on our APP.

If you are able to help out with any props (such as giant book covers) please email Mrs. Hughes (hughes.h@westfelton.shropshire.sch.uk)

Payment Reminder

As you know, we now have a very efficient Online Payment System.

Please can you make sure you pay for services in advance e.g. dinners and club. We will have to begin withdrawing services if prompt payments are not made as Shropshire Council do not allow debts to be accrued. If you have any problems paying please pop into the school office.

Change of Date

The next Messy Church session is now Sunday 7th July at 4pm

Our Christian Values

Our Value for this term is...

Service

Reading the Game

You may have seen Coach Neil over the last few weeks. Coach Neil is from 'Shrewsbury Town in the Community' and is working with Sycamore class on a 6 session programme which aims to combine English skills with Sport to enthuse and engage.

He visits the class for a 2 hour session. The children spend an hour in the classroom completing a writing task e.g. a poster on Respect or a diary entry as Lenny the Lion and then they go outside for an hour and work on key skills before finishing with a football match.

Shrewsbury Town IN THE COMMUNITY

Maths-Whizz®

Maths Whizz continues to be a fantastic resource in boosting the time children spend on Maths both in and out of school.

Our weekly celebrations in Golden Book are thoroughly enjoyed by pupils and staff.

The Year Group Cup is hotly contested with Sycamore Year 5 and Oak Year 2 being the most regular winners, although the Acorns are often on our tails!

Please encourage your child to use Maths Whizz regularly at home—it really does make all the difference.

Golden Book...
